

The Blu-ray Disc Association hereby notifies BDA implementers of the following Undertaking:

LGE hereby grants and agrees to grant, and if necessary to cause any of its Affiliated Companies owning such rights to grant, a perpetual, irrevocable, worldwide, non-exclusive, fully paid-up and royalty-free license, under all patents listed on Exhibit A or that hereafter issue based on any patent application listed on Exhibit A or any U.S. continuations, divisionals, continuations-in-part, reissues, re-examinations of extensions and additions that share a common parent containing Confidential Information with or claim priority to any patent or patent application listed on Exhibit A; and any foreign counter-parts or foreign equivalents, including foreign counter-parts or equivalents to continuations, divisionals, continuations-in-part, reissues, re-examinations of , extensions and additions, that share a common parent containing Confidential Information with or claim priority to any patent or patent application listed on Exhibit A (collectively, the “Licensed Patents”), to any implementer of any Blu-ray Disc Format, which has been adopted by the BDF or the BDA and has been made or is in the future made available to the public, to use, sell, offer for sale, develop, manufacture, have manufactured, import or export or otherwise dispose of products that implement any such Blu-ray Disc Format, provided that the implementer holds a license or is authorized pursuant to a license from the BDA to implement such Blu-ray Disc Format and further provided that the foregoing license does not apply to products or portions of products that do not implement a Blu-ray Disc Format.

(all capitalized terms not defined herein shall be as defined as in the BDA Bylaws)
